

How to Install and Authorize Bluefire Reader App

Step 1: Search in the App Store for Bluefire Reader and Install

Step 2: Once installed, you will see the homepage with two sample eBooks. To access the authorization settings, click Info.

Step 3: Click Authorize

Step 4: Enter your Adobe ID and Password. If you do not have an Adobe ID, you can create one by clicking Create a free Adobe ID.

Success! A message will appear stating the application is authorized.
